

RECITAL TICKETS

Once again, we will sell numbered tickets with assigned seating through an online ticketing system, and you will be able to select your own seats via a clickable seating chart! Please look for an email with instructions and your priority code the week prior to tickets going on sale.

Tickets will go on sale on Saturday May 18th, at 1:30pm.

Account must be paid in full through June to receive an email with your priority code, therefore be sure to make your June tuition payment on or before May 18th. If you are on our monthly auto charge, your credit card on file will be charged on May 17th, unless we hear from you.

Tickets will be \$21, and there will be a service fee of \$1.80 per ticket, charged by the online ticketing service.

All Parents/dressers/dancers will need a ticket if they plan on watching ANY PART of the show. People without tickets will not be allowed into the theater from ANY entrance. **No exceptions.**

Very small children who will not be occupying a seat at any time may sit on an adult's lap at no charge. Preschool performers with 1 or 2 routines may watch the show as a lap sitter at no charge, however, we ask that all lap sitters are age 5 or younger and do not obstruct anyone's view.
